

2017 U8 SOCCER RULES

The goal of the Dixon Soccer Club U8 league is to introduce children between the ages of 6 and 7, in the best way possible to the sport of soccer. For most of these players, this may not only be their first time playing soccer, but to sports in general. It may also be their parent's first involvement with soccer. We want to promote the **recreational** aspect of the sport of soccer and make sure all of the people involved with the U8 program (parents, players and coaches) understand the goals we wish to attain.

The following is a list of rules that will be used in order to help facilitate the function of the U8 league.
